Oral Surgeon & Health Service Executive

With 13 years' operational and clinical leadership experience, supported by a substantial career in Dentistry, I took on the role of Chief of Clinical Dental Services at Australian Unity Dental Clinics in 2012, and here I have led the development and execution of strategic initiatives to meet the needs of the changing health insurance industry, and ensured our services remain highly competitive.

In my clinical role, I perform a wide range of Oral and Maxillofacial Surgical procedures including removal of wisdom teeth, removal of difficult teeth, apicectomies, frenectomies, exposure for orthodontic traction, placement of dental implants, bone grafting prior to dental implant placement, excision of oral lesions, removal of cysts of the jaws and management of temporomandibular joint disorders.
