

Dr Tom Mastroianni

Occupational Physician

MBBS FAFOEM (RACP) FIAME FAMLC

Medicolegal experience

I have been preparing medico legal reports for the legal profession and insurance companies since 1984.

As Chief Medical Officer of the MMI/Allianz Group, I was responsible for resolving medical and ethical issues with doctors/claimants and complaint resolution.

I review injured workers to resolve and avoid litigation, in particular impairment assessment evaluations.

Clinical Experience

Clinical Practice since 1975

- General Practice (13+yrs)
- Occupational Medicine Practice (40+yrs)

Education and Training

I attend training in impairment assessment and evaluation in the United States of America – American Academy of Disability Evaluating Physicians / International Academy of Independent Medical Evaluators.

Training case managers to 2010:

- medical terminology
- impairment assessments AMA 4 and

CHAIR multidisciplinary team case review

CMO Recovre NSW – Responsible for Medical panel ethics/education/QA to 2008
