Dr John Sheehy is a highly regarded, qualified and experienced Consultant Neurosurgeon with special interest in benign brain tumours and spinal disorders. He is also experienced in medicolegal assessment and reporting and has undertaken specialty training and accreditation as a permanent impairment assessor.

Further to completing medical training and gaining specialist fellowship qualifications in neurosurgery, Dr Sheehy undertook advanced training in spine, vascular and skull base surgery at the National Hospital, Queen Square, London, UK. He has worked in numerous public and private facilities as a Consultant Neurosurgeon as well as having held high-profile professional positions including as a Member of the Board at St Vincent's Clinic and Chairman of Neurosurgery at St Vincent's Hospital in Sydney, and as President of the Neurosurgical Association, NSW.

Dr John Sheehy has extensive experience in transsphenoidal surgery for pituitary tumours, cervical, thoracic and lumbar surgical procedures. He is also an expert in skull base surgery having introduced the orbitozygomatic approach for middle and post fossa tumour conditions.

Dr Sheehy continues to work in private practice and undertake independent medical examinations.
