

Dr Darrell Nam

Plastic & Reconstructive Surgeon,
Hand & Wrist Microsurgeon

Dr Darrell Nam is a qualified medical practitioner and specialist Plastic and Reconstructive Surgeon, Hand and Wrist Microsurgeon.

He gained a medical degree at the University of Melbourne 1968 and became a fellow of the Royal Australasian college of Surgeons 1974 and member of the Australian Society of Plastic surgeon in 1978.

He has been working in general plastic surgery for over 30 years in the public hospital environment and in private practice. He has managed a wide spectrum of patients for treatment of trauma, burns and industrial accidents. He has managed patients with disfigurement and scarring and had a broad practice in aesthetic and reconstructive surgery of the face abdomen and breast .

Dr Nam has held appointments at major teaching hospitals in Melbourne and Geelong and been intimately engaged in training of undergraduates.

Dr Nam has been a participant in Interplast offering annual plastic surgical services to the Pacific and southeast Asian nations over a 25 yr period.

He is now consulting in the medico-legal field providing medical opinion for clients suffering impairment from industrial and motor vehicle accidents resulting in impairment. He is providing expert opinion in cases of medical negligence.

He has accreditation to provide impairment assessment AMA4.5.6, and accredited with Worksafe, TAC, RTWSA, and MAIS (SA).
